

Call for Papers

The ICEE Conference 2020

The International Council on Electrical Engineering

June 28 – July 2, 2020

Sunport Hall Takamatsu, Takamatsu, Japan

<https://icee2020.itlab.org/>

Sponsored by:

The Institute of Electrical Engineers of Japan (IEEJ)

Co-sponsored by:

The Chinese Society for Electrical Engineering (CSEE)

The Hong Kong Institution of Engineers (HKIE)

The Korean Institute of Electrical Engineers (KIEE)

The ICEE conference aims to provide a premium forum for sharing knowledge, experience and creative ideas among electrical engineers of the world. Since 1995, ICEE has been successfully held once a year. The Institute of Electrical Engineers of Japan (IEEJ) is pleased to announce ICEE Conference 2020 will be held from 28 June to 2 July, 2020 in Takamatsu, Kagawa, Japan. It is a great pleasure for the IEEJ with co-organizers, The Chinese Society for Electrical Engineering (CSEE), The Hong Kong Institution of Engineers (HKIE) and The Korean Institute of Electrical Engineers (KIEE), to invite potential authors to submit papers in the following areas:

1: Fundamentals, Materials & Education

- Electrical Materials and Process
- Semiconductor Technology
- High Voltage Engineering and Insulation Technology
- Breakdown and Discharge
- Electronic Materials
- Education and Training for Electrical Engineers
- History of Electrical Engineering
- Other Related Areas

4: Industry Application

- Electrical Machines
- Electronic Drivers and Application
- Railway Transportation
- Electromagnetic and Applied Superconductivity
- Industrial Process Control and Automation
- Electric Vehicle
- Other Related Areas

2: Power System & Energy

- Power System Planning and Scheduling
- Transmission & Distribution System and Apparatus
- Power Generation and Sustainable Environment
- Power System Modeling, Simulation and Analysis
- Renewable Energy
- Smart Grid/Community
- Other Related Areas

5: Sensor & Micro-machines

- Diagnosis and Sensing Systems
- Micro Machines
- MEMS-Micro Sensors and Structures
- MEMS-Related Technology
- Device
- Other Related Areas

3: Electronics, Information & Control Systems

- Communication Systems and Network
- Intelligent Systems and Approach
- Information Technology Application
- Control Theory and Application
- Learning, AI and IoT
- Device, Sensing and Mechatronics
- Other Related Areas

Important Dates

Deadline of Submission of Abstract	Jan. 17, 2020
Notification of Acceptance of Abstract	Jan. 31, 2020
Deadline of Submission of Full paper	April 1, 2020
Notification of Acceptance of Full Paper	April 28, 2020
Deadline of Early Registration	May 15, 2020

All submitted papers (Abstract and Full Paper / Short Paper) will be reviewed by the ICEE 2020 Program Committee, which is formed by the hosting organization – The IEE of Japan. English is the official language and will be adopted in all the publications and presentations.

Types of Paper

Authors should select one of the following three types A and B of paper and C of presentation.

Type		Paper length
A	<u>Short paper</u>	≤ 2 pages
B	<u>Full paper</u>	≤ 6 pages
C	<u>Industry presentation</u>	Presentation file (not limited)

Presentation

The presentation of the paper will be done in oral or poster session. If the author wishes the paper will be presented in a poster session, the author should select “poster session” via ICEE2020 website.

Submission of Abstracts

All abstracts should be submitted on-line via the ICEE2020 website on or before 31 December 2019. The Abstract must be less than 300 words. Before submission, authors should get account from “SIGN UP” in the ICEE2020 website. The correspondence author will be notified by E-mail regarding the acceptance / rejection of the proposed paper by 31 January 2020.

Submission of Full Papers / Short Papers / Industry Presentation

Full papers / short papers / industry presentation should be submitted on-line via the ICEE 2020 website on or before 1 April 2020. The length of the full paper / short paper shall be 6 / 2 pages or less. The copyright policy should be accepted for Full papers and short papers. The correspondence author will be notified by E-mail regarding the acceptance / rejection of the proposed paper and the presentation format ('Oral' or 'Poster') by 28 April 2016. At least one author of the paper is required to register for the conference on or before 15 May 2020. Presentation and publication are subject to full payment of the registration fee. Authors are assumed to have given consent and authorized the Organizer to publish the abstract and full paper / short paper, and to include them in any conference publications (in printed or / and electronic form). All registrations should be made via the online program at the ICEE 2020 website. Author's kit will be available at the ICEE2020 website.
